

# Quattro West wins award

QUATTRO West, formerly Nestle House, has won the best redevelopment award for Malaysia at the Asia Pacific Commercial Property Awards 2010 in Hong Kong on April 16. Axis REIT Managers Bhd bought the building for RM39.8 million in 2007 and budgeted RM7 million for its makeover. "Winning this ... underscores Axis REIT's ability to continue to enhance the buildings within its portfolio to a standard that is recognised internationally as being best in class," Stewart LaBrooy, CEO of Axis REIT, said in a statement.
